

California Licensed Foresters Association Fall Workshop

Water Issues in California Forest Management

Jurisdiction, Compliance, & Creative Watershed Restoration Projects in California

September 8, 2017
Sierra Nevada Brewing Company – The Big Room
Chico, CA

This year, the CLFA Fall Workshop will focus on water issues within California's Forestlands and Riparian Ecosystems. Water supply, quality, and protection, following the effects of drought, wildfire, and flood events, are part of the daily operations in California Forests. Collaborating on the issues, solutions, and innovations, is imperative in the RPF's workplace.
