

Forestry Technician Positions Announcement

NCRM, Inc. is a land and resource management firm providing consulting services since 1982. Based in Calpella, we provide services across Northern California in the fields of forestry, carbon, conservation, storm-water, land planning, water rights, GIS, biology, botany, and arboriculture. Our clients include large and small timberland and agricultural owners, utilities, municipalities, state and federal organizations, and conservation groups.

NCRM is seeking seasonal and full time Forestry Technicians to join our professional staff and assist Registered Professional Foresters in all aspects of resource management. Candidates should have basic forestry skills and the ability to work in difficult terrain under all types of weather conditions. Prior forestry experience is preferred but not required. Consideration will be given to academic schedules.

NCRM offers a competitive compensation package based on qualifications and experience. Seasonal positions may turn into full-time positions which include paid time off, holidays, retirement, health, education assistance, dependent care and other statutory benefits.

If you would like to work for a great company that supports the growth of its staff, please submit a resume today. Interested parties should send a letter of interest and resume to Todd McMahon via email (toddmcmahon@ncrm.com), or to P.O. Box 435, Calpella, CA 95418.

We have an exciting opportunity for the right person who wants to grow with the company. We look forward to hearing from you!
