2019 Spring Conference Forest Management and Fire Prevention – Increasing the Pace and Scale

Friday, March 8th 8:00 am – 5:00 pm Gaia Hotel and Spa – Anderson, CA

California forests are at a crossroads, informed forest management is necessary to reduce wildfire risk and severity protecting communities and forest ecosystems. Join CLFA as we look at work being done to increase the pace and scale of fuel treatments across the state.

Speakers to Include:

- Dan Tomascheski, *Sierra Pacific Industries* and *Barnie Gyant, USFS* – **Cooperation in Forest and Fire Management**
- Rob York, *UCANR Extension Specialist* – **Riparian Fuel Treatments**
- Matt Dias, *Board of Forestry* – **Revisions to 1038**
- Yana Valachovic, *UCANR Humboldt-Del Norte County* – **Oak Woodland Restoration**
- Brian White, CLFA Legislative Advocate - **Fuel and Forest Management Legislation**
- Additional Speakers and agenda to come.

***Please join us immediately following for our annual reception, scholarship fundraiser, Outstanding Forester Award, and auction.
