Founded in 1931, Crane Mills is a family owned and operated natural resources company headquartered in Corning, CA. We are seeking a qualified Registered Professional Forester to join our team and help manage our 91,000 acres of timberland in Northern California. This role is wide-ranging and will require the successful applicant to be involved in all aspects of industrial timberland management.

Duties and responsibilities of this position may include, but are not limited to the following:

- Timber Harvest Plan preparation
- Timber sale preparation and administration
- Timber cruising
- Grant writing and project management
- Reforestation
- Working with State and Federal agencies

Qualifications for this position include the following:

- Bachelor's Degree (BS) in Forestry, Natural Resources or related field.
- 3+ years post-college work experience preferred
- A current California Registered Professional Foresters (RPF) license
- A working knowledge of silvicultural practices and the CA Forest Practice Rules
- A current CA driver's license
- Experience driving a variety of all-terrain vehicles
- Interest and/or experience with prescribed fire
- Skilled in standard software, include MS office, ArcGIS and Avenza

Physical Requirements

- This position will work 50% or more in the field, which can include long hours, difficult terrain and adverse weather.
- Travel time, up to five hours
- Lifting up to 50lbs
- Operation of all-terrain vehicles, chainsaws and fire equipment.
- Ability to work independently and as part of a team.

Compensation

This is a full-time, salaried exempt position. The annual salary ranges from \$75,000-\$90,000, commensurate with experience and qualifications. The company also offers health, vision, dental, and life insurance, 401k with employer match, company vehicle, PTO, and paid holidays. Our work culture is family friendly and we can offer a flexible schedule and some remote work.
