

Career Opportunities

**Forestry - Wildlife Biologist
Aide**

**Tahoe Forestry District Grass Valley,
CA**

**Application Deadline:
02/16/2024**

**Wages range from \$22 to \$23 per hour
We train and promote from within**

Qualified Wildlife Interns help manage the Company's forest lands in the Sierra Nevada. Primary species being surveyed will be the California Spotted Owl and Northern Goshawk. This position provides an excellent opportunity to observe spotted owls from many known sites. Last season, our crew documented over 300 California Spotted Owls.

Duties include, but are not limited to:

- Support on-going monitoring of sensitive species
- Forestry and wildlife-related project work requiring demanding physical activity, night-time hours, and off-road driving
- Data entry
- Camping for up to four nights in one week

Qualifications

- Degree in wildlife biology, forestry, or biological science preferred
- One season experience calling for raptors preferred
- Knowledge of native wildlife species of California forests
- Ability to safely hike and navigate alone in remote, steep mountainous regions using map, compass, and GPS
- Possess valid driver license and have ability to drive hazardous mountain roads
- Excellent communication skills

Base Locations: Anderson, Burney, Camino, Chico, Fortuna, Grass Valley, Martell, Redding, Sonora, Weaverville, and Westwood, California

Compensation includes competitive hourly wage and housing allowance for qualifying individuals.
