

Registered Professional Forester Position Announcement

NCRM, Inc. is a land and resource management firm providing consulting services since 1982. Based in Ukiah, we provide services across Northern California in the fields of forestry, carbon, conservation, storm-water, land planning, water rights, GIS, wildlife biology, botany, and arboriculture. Our clients include large and small timberland and agricultural owners, utilities, municipalities, state and federal organizations, and conservation groups.

NCRM is seeking a full-time Registered Professional Forester to join our professional staff. The ideal candidate should have a successful track record of working independently on forestry projects, preparing reports, and providing professional advice to clients. The position responsibilities include project management, Timber Harvest Plan preparation and administration, resource assessment, and supervision of junior staff. Strong organizational skills as well as communication skills, both written and verbal, are essential. A valid driver's license is required. ATV experience is preferred.

NCRM offers a competitive salary and compensation package. This includes paid time off, holidays, retirement, health, education assistance, dependent care and other statutory benefits. Salary will be based on qualifications and experience.

If you would like to work for a great company that supports the growth of its staff, please submit a resume today. Interested parties should send a letter of interest and resume to Todd McMahon via email (toddmcmahon@ncrm.com), or to 2501 N. State St., Ukiah, CA 95482.

We have an exciting opportunity for the right person who wants to grow with the company. We look forward to hearing from you!
